# BLPN @ BIO 2026

## BLPN Community,

*I'm honored to step into 2026 as Founding Partner & COO. What we're building together matters, far beyond this space. You live our mantra, Find Someone to Help. Repeat., every day, and it shows. I'm excited to help shape this next chapter with intention, care, and purpose. Let's keep growing, supporting one another, and saving lives - together.*

**Caley Anderson**

Founding Partner & COO, BLPN

# DAY 3

TUESDAY, JUNE 23  
1:00PM - 5:00PM

📍 MAIN FORUM

## GLOBAL STAGE

# UC SAN DIEGO PARK & MARKET FIELD OF DREAMS

### **Japanese Delegation**

Discover how Japan's innovation landscape blends deep-tech excellence with long-term strategic investment. Panelists unpack partnership-driven growth, corporate collaboration models, and how global founders can successfully navigate Japan's unique business culture.

### **Chinese Delegation**

Explore China's fast-evolving innovation engine, where scale, speed, and digital ecosystems redefine growth. Experts share insights on market entry, regulatory navigation, and leveraging local partnerships to compete in one of the world's most dynamic economies.

### **Australian Delegation**

Learn how Australia serves as a launchpad for global expansion, connecting startups to Asia-Pacific markets. Panelists highlight strengths in research, sustainability, and venture support, while sharing practical pathways for scaling across borders.

### **South Korean Delegation**

Dive into South Korea's high-performance startup ecosystem powered by technology, talent, and global ambition. Speakers discuss government-backed innovation, corporate accelerators, and strategies for tapping into Korea's rapidly growing tech sectors.

# DAY 3

TUESDAY, JUNE 23  
1:00PM - 5:00PM

📍 GUGGENHEIM THEATRE

## VENTURE STAGE

# UC SAN DIEGO PARK & MARKET FIELD OF DREAMS

### ***Military Medicine***

Examine how military medicine drives innovation under pressure, accelerating breakthroughs in trauma care, logistics, and rapid response systems. Panelists share how these advancements translate into civilian healthcare and create opportunities for dual-use technologies.

### ***Women's Health***

Explore the growing momentum in women's health as innovation addresses long-overlooked gaps in care. Experts discuss investment trends, emerging technologies, and scalable solutions improving outcomes across every stage of life.

### ***AI In Healthcare***

Unpack how AI is transforming healthcare delivery, from diagnostics to operational efficiency. Panelists highlight real-world applications, implementation challenges, and how to responsibly scale AI solutions in complex clinical environments.

### ***Advanced Therapies***

Advanced therapies are reshaping the future of medicine through cell and gene therapies, regenerative medicine, and precision biologics. Experts will discuss manufacturing scalability, regulatory pathways, commercialization challenges, and the partnerships driving next-generation treatments from breakthrough science to patient impact.

# DAY 4

WED, JUNE 24  
1:00PM - 5:00PM

📍 GUGGENHEIM THEATRE

## VENTURE STAGE

# UC SAN DIEGO PARK & MARKET FIELD OF DREAMS

### **Non-Dilutive**

Explore how to access capital without giving up equity through grants, government programs, and alternative funding sources. Experts share practical approaches to securing non-dilutive funding and integrating it into a broader capital strategy.

### **Crowdfunding**

Unpack how crowdfunding is democratizing access to capital and validating market demand. Panelists explore platforms, campaign strategies, and how founders can leverage their communities to fuel growth and visibility.

### **Strategic Funding**

Explore funding beyond capital—where strategic investors bring distribution, expertise, and market access. Experts share how to identify the right partners, structure win-win deals, and leverage strategic funding for accelerated growth.

### **Venture Funding**

Dive into today's venture capital environment, where competition, specialization, and founder expectations are evolving. Panelists break down what investors are looking for, how to stand out, and how to build enduring relationships with VCs.
